- 1) 반발경도 시험
- 2) 철근탐사 시험

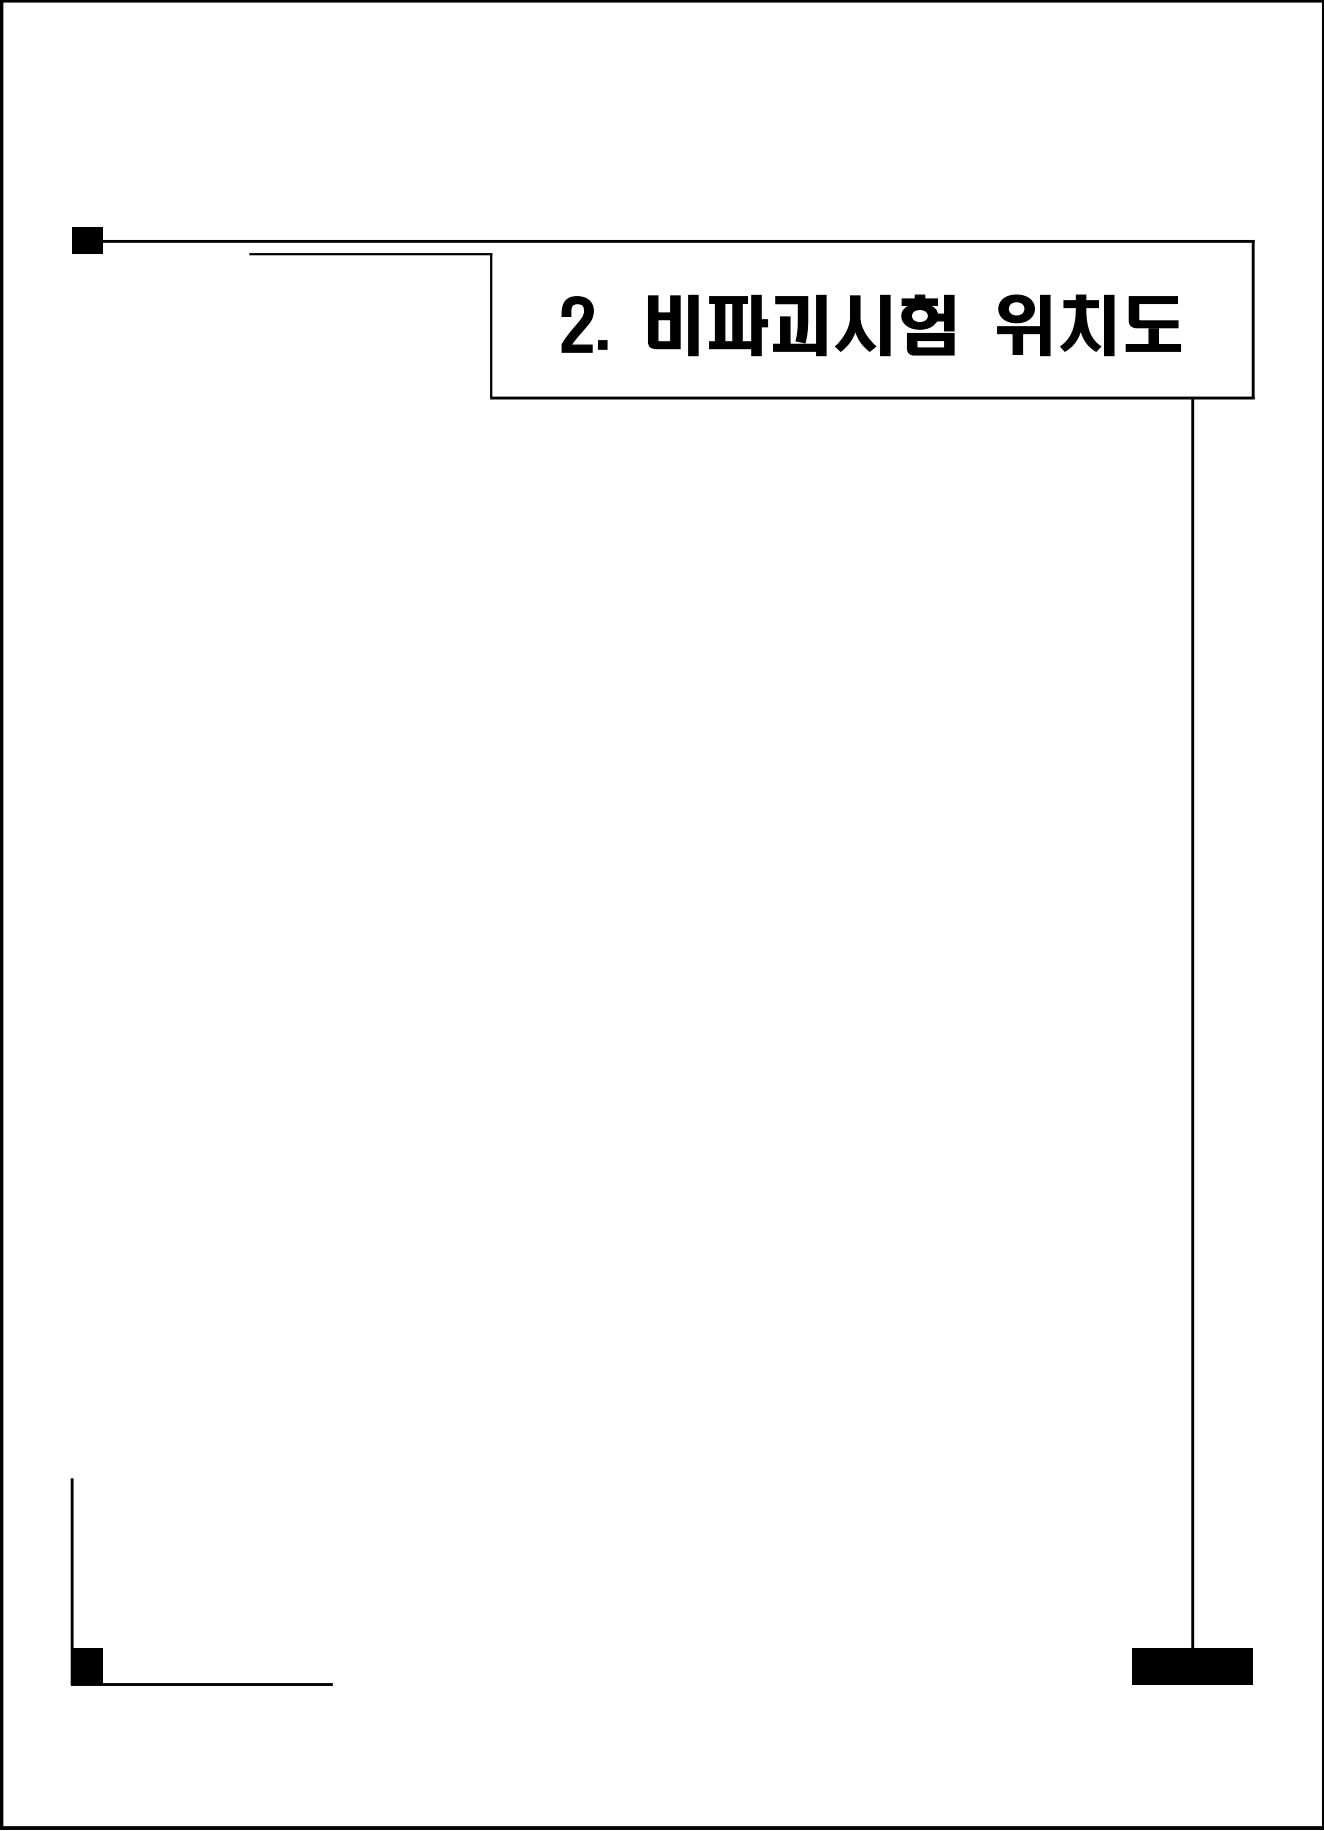

The diagram consists of a large rectangular frame. Inside the frame, there is a smaller rectangular box in the upper right quadrant. A horizontal line extends from the left edge of the frame to the left side of this box. A vertical line extends from the top edge of the box down to the bottom edge of the frame. At the bottom left corner of the frame, there is a small L-shaped marker. At the bottom right corner, where the vertical line ends, there is a small horizontal rectangular marker. The text '1) 반발경도 시험' is centered within the box.

1) 반발경도 시험

The diagram shows a large rectangular frame. Inside the frame, there is a smaller rectangular box in the upper right quadrant. A horizontal line extends from the left edge of the frame to the left side of the box, and a vertical line extends from the top edge of the box down to the bottom edge of the frame. There are three small black squares: one at the top left of the horizontal line, one at the bottom left of the frame, and one at the bottom right of the frame. The text '2) 철근탐사 시험' is centered within the box.
