손상물량표

The diagram illustrates the cross-section of a road structure. It is divided into four horizontal layers, each with a specific pattern and label:

- 좌벽 (Left Wall):** Indicated by a pattern of stars and a label '② 16 보수층' (2 16 maintenance layer).
- 슬래브 (Slab):** Indicated by a pattern of stars and a label '① 16 보수층' (1 16 maintenance layer).
- 우벽 (Right Wall):** Indicated by a pattern of stars and a label '③ 망상균열 15 A=1.5m x 2.0m' (3 net-like cracks 15 A=1.5m x 2.0m).
- 바닥 (Pavement):** Indicated by a pattern of stars and a label '집수정' (water collection point).

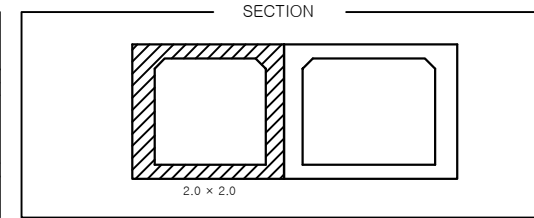

The diagram also shows the stationing of the road, with labels 'STA.0+80', '82', '84', '86', '88', '90', '92', '94', '96', '98', and 'STA.0+100' along the bottom edge.
