A blank sheet of graph paper featuring a uniform grid of small squares. The grid consists of 20 columns and 15 rows. A solid horizontal line runs across the top of the page, approximately one-third of the way down from the top edge. Another solid horizontal line runs across the page about two-thirds of the way down, separating the main grid area from a narrow section at the bottom. This bottom section contains three additional dashed horizontal lines, creating four more rows below the main grid. All other grid lines are dashed.
