A detailed line drawing of a ship's deck plan, oriented vertically. The plan shows various compartments, including a large central area with multiple rows of rectangular structures (possibly storage or equipment), a smaller compartment at the top with a circular feature, and a large rectangular compartment at the bottom. The ship's hull is visible on the right side, showing the deck edge and some structural details.

Figure 1 is a schematic representation of the experimental design. It shows two main groups: 'Control' and 'Patients'. Each group is divided into 'Pre' and 'Post' stages. The 'Control' group shows a decrease in 'Number of correct responses' from Pre to Post. The 'Patients' group shows an increase in 'Number of correct responses' from Pre to Post. The 'Patients' group is further divided into 'Patients with improvement' and 'Patients without improvement'.

A detailed line drawing of a ship's deck plan, oriented vertically. The plan shows various compartments, including a large central area with multiple rows of equipment or seating, a smaller area at the top with a circular feature, and a large oval-shaped area at the bottom. The drawing is labeled 'KEY PLAN' in a box at the bottom left.

A detailed key plan of the shipwreck site, oriented vertically. The plan shows the hull of the vessel, with various internal compartments and structures labeled. The bow is at the top, and the stern is at the bottom. The plan includes a large central area, likely the main deck, and several smaller areas, possibly cargo holds or living quarters. The ship is shown resting on a sloping seabed, with a red line indicating the ship's position relative to the wreck site.

A detailed line drawing of a ship's deck layout, oriented vertically. The plan shows various compartments, including a large central area with multiple rectangular sections, a circular area at the top, and several smaller rectangular and circular spaces along the sides and bottom. The layout is complex, with many internal divisions and structural elements.

The image contains two architectural floor plans of a building, likely a school or institutional structure, showing different room arrangements.

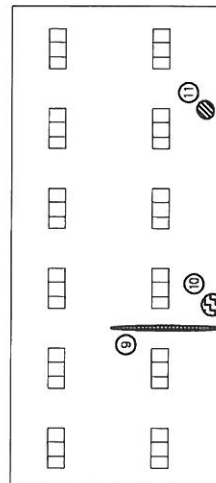

Top Plan: This plan shows a rectangular building with a central corridor. On the left side, there are several rooms, each containing a desk and chair. On the right side, there is a kitchen area with a sink and stove, and a room with a desk and chair. The plan is labeled with 'A' and 'B' in the corners.

Bottom Plan: This plan shows a similar rectangular building layout. It features a central corridor and rooms on both sides. The right side includes a kitchen area with a sink and stove, and a room with a desk and chair. The plan is labeled with 'A' and 'B' in the corners.

A key plan of the site showing the layout of the building, parking area, and surrounding roads. The plan is oriented with the building at the top and the parking area at the bottom. The building is a large, irregular shape with several internal divisions. The parking area is a large, open space with a few small structures. The surrounding roads are shown as lines with arrows indicating the direction of traffic. The plan is labeled with 'KEY PLAN' in a box at the bottom left.
