

호남고속선 정지 고가 - 1226(65.425~65.432km, S234-4)

The diagram illustrates a cross-section of a bridge deck, specifically a 234-span bridge. The drawing is symmetrical about a central vertical axis. The main spans are labeled '65K425' and '65K432'. The side spans are labeled 'TM.244.1' and 'TM.248.3'. The central spans are labeled 'TM.008.2' and 'TM.104.2'. The drawing shows the deck structure, including the top and bottom slabs, the internal beams, and the supports. Dimensions are provided for various parts of the structure, such as the span lengths and the thickness of the deck. The drawing is a technical drawing of a bridge deck cross-section, showing two symmetrical halves separated by a centerline. The drawing includes various structural components like the deck, beams, and supports, with dimensions and labels for different parts. Key labels include '65K425' and '65K432' for the main spans, 'TM.244.1' and 'TM.248.3' for the side spans, and 'TM.008.2' and 'TM.104.2' for the central spans. The drawing also shows a '234 SPAN - 4' section. The drawing is a technical drawing of a bridge deck cross-section, showing two symmetrical halves separated by a centerline. The drawing includes various structural components like the deck, beams, and supports, with dimensions and labels for different parts. Key labels include '65K425' and '65K432' for the main spans, 'TM.244.1' and 'TM.248.3' for the side spans, and 'TM.008.2' and 'TM.104.2' for the central spans. The drawing also shows a '234 SPAN - 4' section.
