

호남고속전동리코-138 (76.644~76.651km, S28-2)

The drawing illustrates the cross-section of a bridge deck, divided into two spans: 28 SPAN - 2 (left) and 28 SPAN - 1 (right). The deck is supported by a central pier and two side piers. The top surface is labeled 'PCL상면' (Pavement Top Surface), and the bottom surface is labeled 'PCL상면' (Pavement Top Surface). The side piers are labeled 'TCL측면' (TCL Side Surface) and 'TCL상면' (TCL Top Surface). The central pier is labeled 'TCL상면' (TCL Top Surface) and 'TCL측면' (TCL Side Surface). The deck is divided into 11 lanes, numbered 1 to 11 from left to right. The dimensions of the lanes and the overall deck width are indicated. The drawing also shows the location of the bridge piers and the dimensions of the pier sections. The labels 'TM.083.3' and 'TM.266.3' are located at the bottom of the drawing, and '76K644' and '76K651' are located at the top. The drawing is a technical drawing of a bridge deck cross-section, showing the layout of the lanes, the location of the piers, and the dimensions of the various components. The drawing is a technical drawing of a bridge deck cross-section, showing the layout of the lanes, the location of the piers, and the dimensions of the various components. The drawing is a technical drawing of a bridge deck cross-section, showing the layout of the lanes, the location of the piers, and the dimensions of the various components.
