A detailed key plan of the building layout. The plan shows a rectangular building with an irregular shape on the left side. The layout includes a large central hall with several long, narrow rooms (possibly classrooms or lecture halls) arranged in a row. To the right of this hall is a large circular room (likely a theater or auditorium). Above the central hall are two circular rooms (possibly restrooms or small theaters) and a larger rectangular room with three small squares inside (possibly a stage or performance area). The plan also shows various smaller rooms, corridors, and service areas. The text 'KEY PLAN' is written vertically on the left side of the image.

A detailed key plan of the building, oriented vertically. The plan shows a central corridor with rooms on both sides. At the top, there is a large room with a circular feature, possibly a staircase or a large window. Below this, there are several rooms, some with circular features. At the bottom, there is a large room with four vertical rectangular features, possibly beds or desks. The fire alarm control panel is indicated by a small square symbol in the central corridor, near the top.

A detailed key plan diagram of the building layout, showing the arrangement of rooms and corridors. The plan is oriented with the entrance at the top. The layout includes a large central hall, several smaller rooms, and a series of rooms along the right side. The diagram is labeled with various numbers and letters, corresponding to the room numbers in the text. The plan is oriented with the entrance at the top.

A detailed key plan of the site, showing the layout of the buildings and the location of the proposed development. The plan includes a north arrow pointing towards the top right. The site is bounded by a road to the north and a railway line to the east. The proposed development is indicated by a hatched area in the upper right corner of the site. The plan also shows the location of the existing buildings, including the main building and the ancillary buildings. The plan is labeled 'KEY PLAN' in the bottom left corner.

A detailed key plan of the building layout, showing the arrangement of rooms and corridors. The plan includes a large central hall with four vertical columns of rooms, each with a downward arrow indicating the direction of flow. To the left of this hall are two circular rooms. To the right are several rectangular rooms, including a large one with three vertical ellipses inside. The plan also shows various smaller rooms, corridors, and a large circular area at the bottom left. A north arrow is located in the bottom right corner of the plan.

A detailed line drawing of the 1000 Series engine compartment, oriented vertically. The diagram shows the layout of various components including the alternator, water pump, and other mechanical parts. A large circular area on the right side is shaded with diagonal lines. The text 'KEY PLAN' is written vertically along the left edge of the diagram.

A detailed key plan of the site, showing the layout of the buildings and the location of the proposed development. The plan includes a north arrow pointing towards the top right. The site is bounded by a road to the north and a railway line to the south. The buildings are shown in a simplified, schematic style, with internal divisions and external walls indicated by lines. The proposed development is highlighted in a darker shade, showing its position relative to the existing structures and the surrounding environment. The plan also shows the location of the proposed development in relation to the existing buildings and the surrounding environment.

KEY PLAN

This diagram provides a top-down view of the laboratory's equipment layout. Key features include:

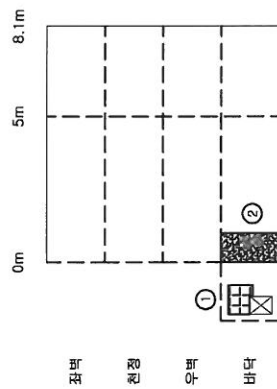

- Incubators:** A large bank of four vertical incubators on the left side, each with a downward arrow indicating airflow.
- Centrifuges:** Two circular centrifuge units located above the incubator bank.
- Storage and Work Areas:** Various rectangular units, likely storage cabinets or workbenches, are distributed throughout the room, including a large unit on the right labeled '45'.
- Access Points:** Small squares and rectangles represent doors and utility access points.
