Bar chart showing the number of people in the population aged 15 years and over, by sex, for each year from 1990 to 2010. The Y-axis represents the number of people in thousands, ranging from 0 to 60. The X-axis represents the years from 1990 to 2010. The chart shows a general upward trend for both males and females, with a significant increase in the female population starting around 2000.
